## SEA SPONGES

Sizes:

5-6cm

6-7cm

7-8cm

8-9cm

Silk sea sponges for facial care are exceptionally soft and delicate with a fine texture and velvet touch. This makes them perfect for sensitive face skin and ideal for the gentle baby skin. The hypoallergenic and antiseptic nature of the sponge enables multiple use and simple maintenance.

Properties and usage of the natural sea sponge in facial care:

- face wash
- face cleansing in combination with any type of facial-cleansing products (gel, milk, toner, oil)
- facial-care products applicator
- make-up applicator or remover
- Suitable for children and infants
- Easy to maintain and reusable

## SEA SPONGES

Sizes:

9-10cm

10-12cm

12-14cm

14-16cm

16-18cm

18-20cm

Silk sea sponges for bath and shower are exceptionally soft and delicate with a fine texture and velvety touch. That makes them perfect for the whole family. Gently wash away those dead skin cells using our sponges. Exfoliate, massage and cleanse your skin.

Properties of the sea sponges:

- Thick body structure
- Finest micro-pores
- Consistent color
- Roundish shape
- Uniform surface
